

THE PRODUCT BUILDER CAPABILITY MAP

Run this on yourself. Score each area 1 to 5, honestly.

1. JUDGMENT

Deciding under uncertainty, and owning the call.

Score (1-5): ____

2. EVIDENCE

Designing the test that would change your mind.

Score (1-5): ____

3. PROTOTYPING

Building just enough to learn, now AI-accelerated.

Score (1-5): ____

4. AI FLUENCY

Knowing when to trust output and when to verify.

Score (1-5): ____

5. TRADEOFF-MAKING

Saying no on purpose, and defending the no.

Score (1-5): ____

DONE WHEN: you can name your lowest area and the one habit you will change this month to raise it.
